Terms and Conditions
 3-Month Minimum term required. Products have their own warranty from the manufacturer. If any product is approved for the warranty, the customer will be reimbursed for the cost of what the parts are sold for. You may be required to pay upfront for replacement until the warranty is approved. NO labor charge while enrolled in the savings plan. (2 years). After 2 years, labor may be charged. These warranties do not cover abuse, misuse, neglect, vandalism, fire, flood, and or any natural disaster. Any warranty does not cover normal wear and tear. You must be enrolled in the plan to receive any above discounts and be in good standing. All installations must comply with all local codes. Other services may be required for eligibility to enroll in the plan and are determined by our technicians and company. Other work may be advised before enrollment into the plan. We reserve the right not to approve enrollment into the plan if needed. Maintenance by a different company may void any warranty on labor or product. During our safety checks, the technician will take a look at all that can be seen and tested and let you know of any possible concerns and recommendations at that time. If a service needs to be scheduled, one will be advised at that time. The maximum discount for each service call on parts under \$100.00 is \$100.00 off during each service call. Monthly payments ran between the 1st - 15th of each month. The company and customer have the right to cancel at any point in time.
